On 21 February, the barracks camp between Bohndorfer Strasse and Regatta Strasse, Berlin-Gruenau, was partly occupied by about 300 soldiers wearing black-bordered crimson epaulets or black-bordered black epaulets. Four wooden garages were erected between the former factory and Schliersee Strasse in the area of the former Eisenbahn Sportverein. On 19 February, about 20 soldiers were lined up in the billeting area. About 12 soldiers wearing black-bordered crimson epaulets were seen entering the installation, coming from the direction of the town. Motor vehicles driving to, and from, the camp
